

## July Bulletin

### Editor's Note

Hey Everyone,

I'm actually starting to work on the bulletin before the deadline. So hopefully it will come out on time; if not, sorry >N< but since I'm leaving to go on a church retreat on the 2<sup>nd</sup>. I really need to finish this before I leave or I won't be able to send it out till the 6<sup>th</sup>.

Anyways, I hope everyone is enjoying their summer vacation ☺ I know I am! BUT make sure to keep track of all the upcoming events for this month. The most IMPORTANT one would be the **CAMPBELL RELAY FOR LIFE**!!!!!! Make sure to attend all the fundraising events so that you will have enough money (\$100) for Relay!!!!

So far, we have car wash events almost every Saturday and Sunday to make sure everyone is capable of raising enough money. However, we will be hosting other events as well. So don't worry if you don't have enough money yet ☺

Well the first month of our summer vacation is over, so make sure that you do something productive for the (around) 2 months that are left!

Hope everyone continues enjoying their summer vacation!

Sincerely,  
Christina Lee, Bulletin Editor

### Reminder

Make sure that you are prepared for the upcoming **CAMPBELL RELAY FOR LIFE** ☺

# Upcoming Events

## Campbell Relay for Life Info!!!!!!!!!!!!!!

When: Saturday-Sunday, 7/11-7/12

Time: 10 am on Saturday – 10 am on Sunday

Where: Campbell Community Center Track, 1 W Campbell Ave, Campbell, CA 95008

Host: American Cancer Society

What: This is an annual event that is hosted by the American Cancer Society, an organization that searches for a cure to cancer; this event is used to help raise money for their research on cancer. Each team that attends RFL must have at least one person walking around the track throughout the 24 hours. (Thus, the team members rotate out and take turns walking around- with friends of course! ). Walking around the track symbolizes the ongoing battle against cancer.

Why: Not only can you help assist in finding a cure to cancer, you can also spend time with your fellow key club members AND members from different districts/schools as well. This is a fun event that is beneficial to our community and a great time to socialize!

NOTE: To attend this event, you must:

- bring a photo ID in case a counselor needs to check it
- raise at least \$100 – which can be done by attending the car washes ☺ or by attending the other fundraising events that we will be hosting
- make sure that you have brought everything you need for the entire day

# Recap on Past Events

## Relay for Life Canvas Day

We went to the Cal Ave farmer's market and helped advertise for the Palo Alto Relay for Life.

## Tour De Cure Signs

In this event, we accompanied our adult group, the Kiwanis, to place route markers throughout the Tour de Cure bike course for the next day. Volunteers were required to stay throughout an entire time slot because everyone was carpooling.

## Second Saturday Book Sale

This event is held every month. Basically, Key clubbers helped sell books to little kids at the Friends of the Library book sale.

## Tour De Cure

Tour de Cure is a bike race which raises funds for the American Diabetes Association. Key Clubbers were there to help with the registration and t-shirt tables.

## Relay for Life Carwashes

During these carwashes, which took place on Saturdays and Sundays, Paly and Gunn Key Club who belong to the PengWIN team for the upcoming Campbell Relay for Life participated in washing cars to fundraise for the American Cancer Society. The money raised at these carwashes went to their fundraising goals of \$100.

## Palo Alto World Music Day

On the World Music Day, sidewalks, parks, community gardens, and stores all around the world become stages for both amateur and professional musicians to showcase their talents. All concerts and performances are free and open to the public. Key Club volunteers helped make this event possible!

## Pool Party Potluck

After working at the car wash fundraiser, Key clubbers from both Gunn and Paly were allowed to relax with a potluck dinner, swimming, board and video games, and movies.
